**Subject: Non-tariff barrier issues being faced by the Indian exporters in the UK market**

Dear Members,

As you may be aware that the Government is engaging with the UK side for a fast track India-UK bilateral trade agreement. One of the important areas for the discussion is the non-tariff barriers being faced by the Indian apparel exporters in the UK market. Identification of these barriers and discussing them under the India-UK bilateral agreement can further facilitate exports to the UK.

It may be noted that the Non-tariff barriers can be any issues faced by you while exporting in the form of certification, documentation, quality, labeling, packaging, transparency, technical barriers, chemical, dyes, design.

The trade is requested to provide feedback on this in the format, as given below, so that they can be taken up appropriately by the Ministry during trade negotiations:-

Product	Any issues faced by you while exporting in the form certification, documentation, quality, labeling, packaging, transparency, technical barriers, chemical, dyes, design

In view of the above, you are requested to provide the requested information by 3<sup>rd</sup> February 2022 at [polycell@aepcindia.com](mailto:polycell@aepcindia.com) so that it could be shared with the Ministry accordingly.

With warm regards,

Yours sincerely,

Dr. L.B. Singhal

Secretary General
